

The image shows the top portion of a software interface for 'Collision FX Cinematic Scoring Tool'. It features a dark background with various audio-related icons and controls. At the top left, the text 'COLLISION FX' is displayed in a large, white, sans-serif font, with 'CINEMATIC SCORING TOOL' in a smaller font below it. To the right, there are several circular meters with red needles and dashed outer rings. Below these meters, the labels 'Bass', 'Bright 26.7%', and 'Mix 26.7%' are visible. The overall aesthetic is modern and technical.
