With Chillout Waves, we've compiled an extensive collection of rich, diverse and mellow sounds for beatmakers and producers working in downtempo and ambient styles. Whether you are creating after party vibes, rainy day soundscapes or study beats, this pack has all the essentials you need!

Featuring 60 expertly-crafted Serum presets covering basses, chords, FX, leads, pads and plucks all with macro controls mapped to only the most useful parameters, enabling efficient on-the-fly tweaking for custom sound design.

Also included are 5 complete Construction Kits packed with wet and dry loops, drum oneshots and MIDI files ensuring this pack contains every element required to create Chillout tracks completely tailored to your liking and only limited by your creativity.
