Glitchedtones – Mirrors – Future Bass

With Mirrors – Future Bass, we've put together all the elements you need to produce huge EDM floor-fillers and radio-ready hits in one epic collection. Inspired by some of the biggest names in the scene, this pack perfectly reflects the stadium sounds and high production values found throughout the genre.

Featuring 60 expertly-crafted presets covering basses, chords, FX, keys, pads, plucks, synths and vocals all with macro controls mapped to only the most useful parameters, enabling efficient on-the-fly tweaking for custom sound design.

Also included are 5 complete Construction Kits packed with wet and dry loops, oneshots and MIDI files ensuring this pack contains every element required to create Future Bass tracks completely tailored to your liking and only limited by your creativity.
