Glitchedtones

Moonlight – Deep House

Moonlight - Deep House is a comprehensive music production collection designed to help you create and produce Deep House music with ease. This powerful pack includes a diverse range of Serum Presets and Construction Kits with loops, oneshots, and MIDI files that cater to your creative needs. Whether you're a seasoned producer or a beginner, this well-rounded assortment will provide you with all the tools you need to create an authentic Deep House sound.

The Serum Presets are meticulously crafted to provide a range of deep and lush basslines, pads, plucks, leads, and FX that embody the classic Deep House sound. Each preset has been designed to be versatile and highly customizable, allowing you to easily tweak and adjust to your liking so that you can add your own touch to each sound.

The Construction Kits provide you with loops and oneshots, as well as MIDI files, to help you quickly and easily create complete tracks from start to finish. Each kit features full and separated drum loops, basslines, synths, pads, FX and vocal chops that work seamlessly together to create a rich and vibrant Deep House soundscape.

With Moonlight - Deep House, you'll have everything you need to create a deep, soulful, and emotive Deep House production. Whether you're creating original tracks or remixing your favourite songs, this collection is the ultimate toolkit for Deep House producers. So why wait? Get your hands on Moonlight - Deep House today and take your Deep House production to the next level!
