Swathes features a diverse collection of pads for Serum, professionally prepared and production ready for all kinds of chill styles and beyond.

Featuring rich, detailed, digital textures, lofi analogue emulations, soundtrack-ready drones, experimental tones and retro-future vibes, there’s something for almost any genre with this broad palette of essential patches.

Each preset comes loaded with 4 Macro controls for you to quickly explore variations of the original sounds to make them your own and are complimented by 24 Cthulhu chord presets specifically composed to work well with pad sounds.

Whether you produce Downtempo, Lofi, Chillwave, Cinematic, Dream Pop, Post-Rock or in fact any style which calls for textural backdrops, Swathes is sure to become a go-to for your sonic journeys.
