Description

With Charting Trap we bring you everything you need to cook up Billboard ready beats in one go-to resource of platinum production essentials. We took inspiration from the biggest Trap hits and production trends to put together a comprehensive collection which gives you fast access to the freshest sounds for your beatmaking sessions.

Featuring 60 expertly-crafted Serum presets covering 808s, basses, bells, chords, FX, leads, pads and plucks all with macro controls mapped to only the most useful parameters, enabling efficient on-the-fly tweaking for custom sound design.

Also included are 5 complete Construction Kits packed with wet and dry loops, 808s, drum oneshots and MIDI files ensuring this pack contains every element required to create Trap beats completely tailored to your liking and only limited by your creativity.
