Introducing Fred's World – an extensive collection of Serum presets and Construction Kits inspired by the unique sound of Fred Again.. This collection features 60 high-quality presets for Serum, along with 5 Construction Kits that are perfect for crafting your own tracks in the style of Fred Again..

Fred Again.. has taken the music world by storm with his innovative sound and production techniques. As a producer, he has worked with some of the biggest names in the industry, including Ed Sheeran, Eminem, Shawn Mendes, BTS and Charli XCX, and has quickly become one of the most sought-after producers in the business.

With this collection, you can capture the same unique sound that Fred Again.. has become known for. Our Serum presets are carefully crafted to emulate his signature sound covering Bass, Chords, FX, Leads, Pads, Plucks, Reese Bass and Synths. The Construction Kits are also designed to showcase the same sound and style, giving you everything you need to create your own tracks in the vein of Fred Again..

Whether you're a seasoned producer or just starting out, this collection is perfect for anyone looking to add a touch of the unique sound of Fred Again.. to their music. With the popularity of Fred Again.. and the artists he has produced for, you can be sure that this collection will take your productions to the next level and help you stand out in a crowded music scene. So why wait? Get started today and unleash the full potential of your music with Fred's World!
